Greg Foley's personal journal provides a rare look into the heart, mind, and soul of a young Army officer during his yearlong deployment in Iraq. Kept in the original format, thought for thought, Greg's journal offers a unique reading experience that will take you past many of today's popular military clichés and will challenge you to see him as he saw himself: a soldier undeserving of God's grace. Throughout the book, Greg expounds on his journal entries, giving readers additional insight and perspective into some of the greatest experiences and lessons learned from his time spent as a combat leader. If you have ever wanted to go deeper into the life of a modern day soldier, then this book is for you. May reading this Journal of a Christian Soldier inspire and bless you.
