Reviews

It is straightforward in go through easier to recognize. I actually have study and that i am sure that i will going to study yet again again down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Paperback. Book Condition: New. Paperback. 115 pages. Washed in the Blood is just remarkable in so many ways, hypnotic, eerie, a spine-tingling murder mystery and also a haunting memoir of what its like to grow up in one of strangest and most fascinating places on the face of the earth. I was hooked by the first page, and Shelton Williams writing is honest and beautiful. One of those rare books that grabs and wont let go, even after you have read it. H. G. Bissinger, author, Friday Night LightsWashed in the Blood is a page-turning read about the time--early 1960s--and place--Odessa, Texas--during its rowdy oil boom days when violence often rode the range. It is at once an examination of local mores and foibles, piety and hypocrisy and an inside-look at the famed Kiss and Kill murder of a 17-year old would-be actress, Betty Jean Williams, whose ghost is said to haunt the Odessa High School campus to this very day. And it is a courtroom saga starring the late trial super-lawyer, Warren Burnett, along with a verdict that some think stood the blind Goddess of Justice on her head. What Shelton Williams has wrought here is worth both your time and your money. Larry L. King, author, The Best Little Whorehouse in Texas This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
