## Chemical Kinetics and Reaction Dynamics Dover Books on Chemistry

By chemistry

Dover Publications. Paperback. Book Condition: New. Paperback. 348 pages. Dimensions: 10.9in. x 8.3in. x 0.8in. This text teaches the principles underlying modern chemical kinetics in a clear, direct fashion, using several examples to enhance basic understanding. It features solutions to selected problems, with separate sections and appendices that cover more technical applications. Each chapter is self-contained and features an introduction that identifies its basic goals, their significance, and a general plan for their achievement. This text's important aims are to demonstrate that the basic kinetic principles are essential to the solution of modern chemical problems, and to show how the underlying question How do chemical reactions occur leads to exciting, vibrant fields of modern research. The first aim is achieved by using relevant examples in presenting the basic material, and the second is attained by inclusion of chapters on surface processes, photochemistry, and reaction dynamics.
