Reviews

This publication is fantastic. We have read through and i am certain that i will planning to read yet again yet again down the road. You wont feel monotony at at any time of your respective time (that's what catalogs are for concerning when you request me).

Simon & Schuster Ltd. Paperback. Book Condition: new. BRAND NEW, Hackney Child, Hope Daniels, Morag Livingstone, At the age of nine, Hope Daniels walked into Stoke Newington Police Station with her little brothers and asked to be taken into care. Home life was intolerable: both of Hope's parents were alcoholics and her mum was a prostitute. The year was 1983. As London emerged into a new era of wealth and opportunity, the Daniels children lived in desperate poverty, neglected and barely nourished. Hounded by vigilante neighbours and vulnerable to the drunken behaviour of her parents' friends, Hope had to draw on her inner strength. Hackney Child is Hope's gripping story of physical and emotional survival - and the lifeline given to her by the support of professionals working in the care system. Despite all the challenges she faced, Hope never lost compassion for her parents, particularly her alcoholic father. Her experiences make essential reading and show that, with the right help, the least fortunate children have the potential not only to recover but to thrive.
