No stress, no tension, aaah, this is the life! Stress has always been an important part and parcel of the human condition. That is why the old cliché was coined - All Work and No Play Makes Jack a Dull Boy. That was because man understood that fact that if he did not have any source with which he could relax and unwind, he would soon find himself gloomy, dull, lethargic and absolutely no interest in life, because for him, life would be bound to be full of just hard work and absolutely nothing else for which to look forward, at the end of the day. And that is why he began to look at other options like singing, dancing, drama, painting, art forms in order to relax himself and forget about the stress, worry and tension in his life.
