TRAIN OF NOSTALGIA: A COLLECTION OF POEMS & PAINTINGS

2013. PaperBack. Book Condition: New. 168 Many of us have fallen in love, not once or twice, but multiple times in our life. This puts the theory of Love happens only once at risk; however, it is pertinent to know that love or no love, the fundamental right of any individual is the RIGHT TO BE RESPECTED. Taking the partner for granted in any relationship is the most beautiful thing that can happen. The lack of sensibility and poor application of what we learn throughout our life, from either of the partner in the relationship can send the most beautiful thing into doldrums. These series of doldrums have been penned down by Raghupathy, Assistant Factory Controller in Nestle, currently based out of Moga. He is a Class 2008 MBA from ICFAI Business School, Hyderabad. Before that, he went to Ramjas College (Delhi University) and DAV School, Faridabad. The creative side of Raghu is attributable to his knack of observing people closely, which in turn is derived from his experiences during his stay in many cities of India. This also makes him a multilingual guy, giving him an edge to be familiar with the cultures! Contents:- Contents, Preface 9, Acknowledgements 11, List of Images 13, Childhood Days, 1.
