Excerpt: .of rotten wood and removed one large branch, about two feet in diameter and hollow, which hollowness was filled with honey. He then tied the branches of the tree to the central branch so that the wind could not break them. He also dug a trench some ten feet from the tree, and found no roots until he had gone down fifteen feet, at which place he put in some good soil and fertilizers. The tree responded to the treatment and has been growing in healthy condition ever since. The contest has brought in a wealth of information which it will take much time properly to digest.
