Brand New Book ***** Print on Demand *****.The change from a caterpillar into a butterfly is one of the most delicate and extremely beautiful transitions in nature. Inside the chrysalis, a crawling, cylinder-shaped, self-consuming creature is remade into a stunningly beautiful butterfly that is now able to fly! Likewise is the transition from a new Christian into a Mature Christian growing with Christ. While the change for us is not a complete outward, physical change, the beauty that grows within us and His light that shines through us is evident for all who see. Within the pages of this book, you ll find hope, encouragement, inspiration, and guidance in your journey as a new Christian growing in Christ.
