Calls of Duty: Thirty Years in Telecoms

By Raphael Channer

Troubador Publishing. Paperback. Book Condition: new. BRAND NEW, Calls of Duty: Thirty Years in Telecoms, Raphael Channer, Many books will be written about the tumultuous changes, which have ripped through the world of telecoms: the evolution of competition, the socio-economic impacts of broadband, the tyranny of smartphone technology, and beyond. Author Raphael Channer documents the development of BT following its historic privatisation in 1984, which saw virtually the entire UK telecoms sector pass from state ownership into private hands, with its mandate to plot, plan and lead the coming revolution. Not the full story, perhaps, and certainly not the official record, this book is above all the rueful and affectionate memoir of one man and his own rollercoaster...
