Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Self-Instructor s Manual of Short-Hand: A Labor-Saving Adaptations of the Isaac Pitman Phonography This work although small is the result of long study and observation, and a careful study of its pages will lead to the acquisition of the Reporting Style of Short-hand in as short a time as is generally required to master the Corresponding Style. While in a condensed form, every principle is presented and nothing which would aid the student has been omitted. The original intention was to issue only a small pamphlet advocating and explaining a method of teaching the Reporting Style from the outset by means of writing exercises, consisting of monosyllables and short words in ordinary use, and the reduction of the usual large list of grammalogues, first suggested and put into actual practice years ago by Dr. W. M. Carpenter, proprietor of the Bryant Stratton College, St. Louis, and a copyright was secured in 1884. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
