Sigmartyr: They Shall Inherit

By Associate Professor of English Nick Davis

Createspace, United States, 2011. Paperback. Book Condition: New. 220 x 146 mm. Language: English . Brand New Book ***** Print on Demand *****.On a post-apocalyptic world in the far future the last remnants of humanity huddle in ancient crumbling shelter cities protected by their genetically engineered Biological.Armored.Defense Troopers against the ravages of the fascist Omega Coalition. It was the apocalyptic war against the Great One that changed everything. The damage from the unbridled use of chemical weapons, biological agents and localized atomics had rendered the land extremely hostile. The remaining soldiers fighting against the Great One were falling victim to the blasted environment within hours and sometimes minutes of leaving their shelters even in full ABC suits. A solution had to be found, the Great One had to be stopped. The best minds and scientists of the time met and whilst the depleted armies fought a desperate series of suicidal battles to hold back the Great One. A new type of soldier was developed grown from a DNA mix of the finest soldiers available. This clone was dubbed the Alpha Male, a soldier that had increased reflexes, strength and endurance, a biological clone contained within its own organic armored environment...
